It is my well thought

opinion that the Federal Court for the Northern
District of legal decisions and judgments
concerning filing a racial discrimination Employment
Civil Rights (442) complaint due to the fact
that the EEOC (Pitt. Area Office) falls under
the legal jurisdiction of the Northern District
of West Virginia.

During my years of employment
with OCBE (mainly 01/2010 - 05/2017) I was
subjected to an enormous amount of harassment,
intimidation, aggressive and violent behavior from
employees concerning racial issues due to the fact

that my late husband, Arnyl Rush was African American heritage and we have a bi-racial daughter.

My damages involve a loss of income later by a decrease in income, loss of health, dental and vision insurance plan, emotional pain and suffering and loss of my pension
